FOR IMMEDIATE RELEASE

**American Dreams Foundation Announces the 2016 All Class Wrestling Scholarship Recipients
Over \$90,000 in scholarships awarded to Florida high school wrestlers**

Orlando, Fla. – (May 18, 2016) – ORLANDO, FL - American Dreams Foundation has awarded \$91,400 to Florida High School wrestlers through its All Class Wrestling Scholarship Program. The scholarship is based on placement in the 2016 Florida High School Athletic Association (FHSAA) State Wrestling tournament, overall wrestling performance and academic achievement. Ten central Florida wrestlers were recipients of the scholarship including Dylan Meeks of Dr. Phillips High School in Orlando who received the top All Class Scholarship of \$5,000.

The All Class Wrestling Scholarship awarded through the American Dream Foundation is funded by Lawrence E. White, PhD. Dr. White took his passions of wrestling and learning and paired them with his will to help people and has created the All Class Wrestling Scholarship Program.

Scholarships were available to all senior and junior state placers who applied. About half of the eligible wrestlers applied. After confirmation of registration is received, scholarships are paid directly to educational institutions for the benefit of the scholar.

About American Dreams Foundation

Founded and financially supported by Lawrence E. White PhD, American Dreams Foundation was created for the purpose of promoting and increasing awareness & involvement in Florida wrestling primarily through the Florida All Class Wrestling Showcase and All Class Wrestling Scholarship Awards.

Dr. White, who did not wrestle in high school, wrestled at Lehigh University in Pennsylvania. Continuing to follow his passion for the sport, he coach for about 20 years in central Florida. *“Wrestling taught me what hard work is. I learned how to set goals and how to develop a plan to achieve those goals. I learned discipline and sacrifice; and how to be responsible & accountable. I learned how to overcome obstacles and what total commitment really is. Most importantly, I learned how to work smart individually and, as part of a team, and how to win & lose with dignity.”* concludes Dr. White.
